

Downloading and installing the Egress Switch software

The Egress Switch Client integrates seamlessly with Microsoft Outlook for easy-to-use email encryption. All Switch software is free to download and is compatible with Windows Vista/7/8/10 and Outlook 2007/2010/2013/2016.

1. Downloading the software

Visit www.egress.com/switch-client-apps and select the **Download** button beneath the **Switch Client** column.

2. Installing the software

Once the software has been downloaded, double click on the icon and select **Run** to install the software. Complete the installation process following the onscreen instructions.
