10. CONFIDENTIALITY

- 10.1. Confidentiality. Both of us understand that it is likely that access to each other's Confidential Information will be required in order to perform our respective obligations under this MSA. Each party will keep the other's Confidential Information in confidence using the same degree of care that it uses to protect its own confidential information (but not less than reasonable care) and: (a) not use or exploit it in any way except for the purposes set out in this MSA; (b) only disclose it to those of its and its Group company's directors, personnel, representatives, agents, advisors and sub-processors who need to know it for the purposes of this MSA. Where such disclosure is made, the relevant party will be responsible for ensuring that suitable confidentiality obligations are in place with the receiving party; (c) unless disclosable under this Section or Section 11 not make it available to any third party; and (d) on request, return or destroy all copies of the other's Confidential Information in its possession or control.
- 10.2. Exclusions. Information is not Confidential Information if it is: (a) known to the receiving party without restriction before disclosure; (b) publicly available through no fault of the receiving party; (c) disclosed to the receiving party by a third-party not under a duty of confidence; (d) independently developed by the receiving party without use of, reference to, or reliance on the disclosing party's

11. LAW ENFORCEMENT REQUESTS

- 11.1. Disclosure Requests. If We receive a valid and binding request or order of a governmental body (e.g. a court order, law enforcement demand or other local equivalent) relating to your Confidential Information, Content or Smart Data, We will attempt to re-direct the requestor to seek disclosure directly from you (and may provide your basic contact information to enable them to do this). If, notwithstanding those efforts, We are compelled to disclose the Confidential Information, Content or Smart Data then, provided We are allowed to do so, We will provide notice to you so that you may seek a protective order or other remedy. 12. IP AND PROPRIETARY RIGHTS

- 12.1. Rights in Data. Subject to Section 12.2 you own, and will own, all IPRs in and to your Content and Smart Data. We and Our Group own all rights, title and interest (including IPRs) in and to the organisation and storing of CRM Information and System Data but not in or to any of your IPRs that may exist within those data sets.
- 12.2. Reservation of Rights. We, Our Group or licensors own all rights (including current and future developed IPRs), title, interest in and to the Services, Software, Threat Data, Third-Party Data and Support (including documentation, outputs, developments, deliverables, code, changes, updates and new versions of them, and in any learning enhancements to the artificial intelligence and machine learning themselves that are generated by its and their outputs and analysis of any data), in each case whether such are developed or created, revised or modified in response to your requests, suggestions, or ideas, even if performed as Professional Services. Except as set out in this MSA We do not, and will not be deemed to, grant you, your Group or a User any rights in or licences to any of the foregoing.
- 12.3. Licence to Us. On behalf of yourself, your Group and Users, you grant Us, Our Group and Sub-Processors a fully-paid up, non-exclusive, royalty-free, sub-licensable licence to process, copy, cache, store, display and reproduce Content and Smart Data to provide the Services in accordance with this MSA.
- 12.4. Ideas. You, for and on behalf of yourself, your Group and Users grant Us a fully-paid up, royalty free, worldwide, perpetual, irrevocable, transferable, sub-licensable (including through multiple tiers) right to use, modify, distribute and incorporate into the Software and Services (without attribution of any kind) any suggestions, enhancement request, recommendations, proposals, correction or other feedback or information provided relating to the Services, Software and/or Support. If you give us feedback relating to Third-Party Software then you similarly grant Us the right to permit the relevant licensor to use, modify, distribute and incorporate into its products, software and services your feedback on the terms set out above.
- 12.5. Patents, Design Rights and Trademarks. Patents and design rights protect certain IPRs within the Services and Software. Details can be found at

www.egress.com/about/patents. You agree not to display or use any of Our or Our Group's trademarks or logos in any way without Our express prior written permission.

- 12.6. **Publicity.** We may use your name and logo in client and customer listings and marketing material (including on Our website) and you grant Us a non-exclusive, worldwide, royalty-free licence to do so. We may: (a) use your company name and logo in targeted outreach within your sector; and (b) request that you act as a reference for Our Services. Following successful deployment of the Services, we will jointly prepare and publish a press release announcing your use of the relevant Service(s).
- 12.7. **Third-Party Software.** Use of Third-Party Software within the Services and Software is subject to the terms of this MSA and may only be used in conjunction with that Software or Service, not separately.

13. INDEMNITY

- 13.1. **Indemnification by Us.** We will defend you against any third-party claim that the Services, Software or Support infringe any third-party IPR and will indemnify you for amounts awarded against you in judgment or paid in settlement of such a claim; provided that: (i) you comply with the terms of this Section 13.1; (ii) the claim does not arise from your intentional tortious act or negligence; and, (iii) you have not compromised or settled such a third-party claim. In defence or settlement of such a claim We may at Our expense and discretion: (a) obtain the right for you to continue using the infringing or allegedly infringing material; (b) replace or modify the Services, Software or Support so it or they no longer infringe; or (c) terminate this MSA through notice to you and refund any Fees paid in advance for the unused remainder of your current Subscription Period. You will co-operate with Us in relation to the option We take. We will not be liable to the extent an alleged infringement is based on: a modification of the Services, Software or Support other than by Us; the combination with a third-party product, data or software; your breach of this MSA; or, an issue that could have been resolved if you had updated or upgraded to a later version of the Services, Software or Support. This Section sets out your sole and exclusive right and remedy (and Our entire obligation and liability) for claims that the Services, Software, and/or Support infringe, misappropriate, or otherwise violate IPRs or other rights of a third-party.
- 13.2. **Indemnification by You.** Subject to Our obligation to indemnify you in accordance with Section 13.1, you will defend and indemnify Us, Our Group and Sub-Processors against any losses, damages, liabilities, fines, penalties, suits and costs and expenses (including reasonable legal fees) arising from any demand or claim or regulatory action arising from or related to: (a) an allegation that your Content infringes any IPR or breaches this MSA; and/or (b) that you do not have a lawful basis or other right under applicable DPL to transfer your Content to Us and Our Group or to permit Us, Our Group and Sub-Processors to process it in accordance with this MSA. The terms of this Section 13.2 will not apply to allegations or actual infringement of Our, Our Group's, or a Third-Party Software supplier's IPR.
- 13.3. **Obligations of the indemnified party.** The party indemnified under Section 13.1 or 13.2 above agrees to: (a) provide prompt notice of a claim and co-operate with the indemnifying party's defence or settlement of it at

the indemnifying party's cost; (b) not make any admission or statement in relation to the claim or attempt to settle it; (c) mitigate any losses or costs that it does, or may otherwise, incur. The indemnifying party will have sole authority to control the defence and/or settlement of any claim provided that it may not settle any claim against the indemnified party without the indemnified party's prior written consent unless it unconditionally releases the indemnified party and its Group from liability and does not impose any penalties, obligations or restrictions on the indemnified party and/or its Group or admit fault on their behalf.

14. LIABILITY

- 14.1. **Disclaimer of Damages.** NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THIS MSA, TO THE FULLEST EXTENT PERMITTED BY LAW, NO PARTY WILL, UNDER ANY CIRCUMSTANCES BE LIABLE TO THE OTHER PARTY, ITS GROUP OR USERS FOR ANY: (A) COST OF PROCUREMENT OF SUBSTITUTE GOODS, TECHNOLOGY OR SERVICES; OR, (B) CONSEQUENTIAL, INCIDENTAL, SPECIAL, EXEMPLARY OR INDIRECT DAMAGES, INCLUDING LOSS OF PROFITS, BUSINESS, DATA, SOFTWARE, GOODWILL, REVENUE, ANTICIPATED SAVINGS OR OPPORTUNITY, BUSINESS INTERRUPTION, WASTED EXPENDITURE, DAMAGE TO IMAGE OR REPUTATION, CORRUPTION OF DATA (EXCEPT WHERE ARISING DIRECTLY FROM A BREACH OF THIS MSA), EVEN IF THAT PARTY IS APPRISED OF THE LIKELIHOOD OF SUCH DAMAGES OCCURRING AND EVEN IF A REMEDY FAILS ITS ESSENTIAL PURPOSE. THE PRECEDING EXCLUSION WILL NOT APPLY TO A PARTY'S INDEMNITY OBLIGATIONS (BUT SOLELY TO THE EXTENT SUCH AMOUNTS ARE PAID TO A THIRD PARTY UNDER SUCH INDEMNITY). IN NO CIRCUMSTANCES SHALL ANY OF OUR LICENSORS BE LIABLE TO YOU UNDER THIS MSA.
- 14.2. **No Control over transmission.** YOU ACCEPT THAT WE HAVE NO CONTROL OVER THE CONTENT TRANSMITTED TO OR FROM THE SERVICES AND THAT WE DO NOT EXAMINE OR MODERATE THEIR USE OR THE NATURE OF CONTENT. WE THEREFORE EXCLUDE AND DISCLAIM ALL LIABILITY OF ANY KIND ARISING FROM THE TRANSMISSION OR RECEPTION OF CONTENT OR OTHER INFORMATION OF WHATEVER NATURE THROUGH THE SERVICES TO THE FULLEST EXTENT PERMISSIBLE BY APPLICABLE LAW. WE ARE NOT RESPONSIBLE FOR DELAYS, DELIVERY FAILURES OR OTHER LOSS OR DAMAGE RESULTING FROM THE TRANSFER OF DATA OVER COMMUNICATION NETWORKS AND FACILITIES NOT OWNED BY US OR UNDER OUR DIRECT CONTROL AND YOU ACKNOWLEDGE THAT THE SERVICES MAY BE SUBJECT TO LIMITATIONS, DELAYS AND ISSUES INHERENT TO THE USE OF SUCH FACILITIES.
- 14.3. **Cap on Liability.** EXCEPT FOR EACH PARTY'S INDEMNITY OBLIGATIONS AND YOUR PAYMENT OBLIGATIONS HEREUNDER, UNDER NO CIRCUMSTANCES WILL EITHER PARTY'S TOTAL LIABILITY OF ALL KINDS ARISING OUT OF OR RELATED TO THIS MSA (INCLUDING TO WARRANTY CLAIMS), REGARDLESS OF THE FORUM AND REGARDLESS OF WHETHER ANY ACTION OR CLAIM IS BASED ON CONTRACT, TORT, OR OTHERWISE, EXCEED THE TOTAL AMOUNT PAID BY YOU TO US EITHER DIRECTLY OR VIA A RESELLER (AS APPLICABLE) DURING THE 12 MONTHS IMMEDIATELY PRECEDING THE CLAIM OR SERIES OF CONNECTED CLAIMS. UNDER NO

CIRCUMSTANCES WILL OUR TOTAL LIABILITY OF ALL KINDS ARISING OUT OF OR RELATED TO OUR INDEMNITY OBLIGATIONS EXCEED THREE TIMES THE TOTAL AMOUNT PAID BY YOU TO US (EITHER DIRECTLY OR VIA A RESELLER (AS APPLICABLE)) DURING THE 12 MONTHS IMMEDIATELY PRECEDING THE CLAIM OR SERIES OF CONNECTED CLAIMS.

- 14.4. Independent Allocations of Risk. EACH PROVISION OF THIS MSA THAT PROVIDES FOR A LIMITATION OF LIABILITY, DISCLAIMER OF WARRANTIES, OR EXCLUSION OF DAMAGES IS TO ALLOCATE THE RISKS OF THIS AGREEMENT BETWEEN THE PARTIES. THIS ALLOCATION IS REFLECTED IN THE PRICING OFFERED BY US TO YOU AND IS AN ESSENTIAL ELEMENT OF THE BASIS OF THE BARGAIN BETWEEN THE PARTIES. EACH OF THESE PROVISIONS IS SEVERABLE AND INDEPENDENT OF ALL OTHER PROVISIONS OF THIS MSA. THE LIMITATIONS IN THIS SECTION 14 WILL APPLY NOTWITHSTANDING THE FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED REMEDY IN THIS MSA.
- 14.5. Sole responsibility. You and your Group have sole responsibility for the results and conclusions obtained from use of the Services and Support. You acknowledge that advice given by Services is based on analysis of User behaviour and is designed to assist, and not replace, your, your Group and Users' own decision making and judgment. We will have no liability for damage caused by errors or omissions caused by a failure by you to take reasonable action at Our direction.
- 14.6. Failure to upgrade. We will not be liable for any liability, cost, claim or action arising directly from your failure to comply with your obligations under Section 5.3(iii).
- 14.7. Exclusions: Some jurisdictions may not allow the exclusions or limitations set out above and so they may not apply to Our relationship with you. In such circumstances, Our liability for such damages will be limited to the greatest extent permitted by applicable law in that jurisdiction. In particular, nothing in this Section 14 acts to exclude or limit liability that cannot be excluded or limited by applicable law (including in the United Kingdom, death or personal injury caused by Our or Our Group's negligence, or fraud or fraudulent misrepresentation).

15. USAGE RIGHTS AND REPORTING

- 15.1. Restrictions. We may review your use of Subscriptions. If you host the relevant part of the Services or Software, you will confirm no less than quarterly in writing the number of Subscriptions deployed. If a review reveals you have exceeded the number of Subscriptions purchased then We (or a Reseller) may invoice you for, and you will pay, the Fees for the additional Subscriptions through to your next Renewal date (calculated on Our price list in force at the time and back-dated to the beginning of the relevant quarter).
- 15.2. Statistical Reports, analysis and updates. We may: (a) compile statistical reports from System Data, Smart Data, Threat Data and other information relating to the performance, operation and use of the Services and identified threats; (b) process Smart Data to create anonymous data sets; (c) use System Data, Threat Data and anonymous data from the Services for security and operations management, creation of statistical analyses, pro-active maintenance and investigations and for research and development purposes; and (d) use Threat

Data to improve, update and modify the Services, including any block/allow lists, threat analysis, reports and records. We may make reports and information using any of the foregoing publicly available or otherwise share them with third-parties provided that they will not incorporate Content, Smart Data or personal or Confidential Information in a form that could serve to identify you or any User. We retain all IPR in this data, these reports and information.

16. DISPUTE RESOLUTION

- 16.1. Both of us shall attempt in good faith to resolve any dispute arising out of or relating to this MSA by negotiation between personnel who have authority to settle it. Notwithstanding the foregoing, both of us will be entitled to enforce our respective IPRs, to protect Confidential Information and to seek equitable relief at any time. Nothing in this MSA will prevent either of us from seeking equitable or injunctive relief at any time.
- 16.2. If a dispute has not been resolved within 30 calendar days of the first written request by either party to resolve it, then we may each pursue any other available remedies.
- 16.3. All communication relating to a dispute will be by electronic means and, subject to any contrary obligation in relevant rules or court guides, any bundles will be electronic. If paper bundles are required we will both use reasonable endeavours to use recycled paper, non-solvent-based ink and cardboard dividers, tabs and folders. Subject to legal retention, bundles shall be disposed of through secure, confidential recycling.

17. GENERAL

- 17.1. Waiver. Failure or delay in exercising a right or remedy in this MSA or by law will not waive it and will not prevent or restrict further exercise of it.
- 17.2. Severance. If part of this MSA is found by a court or administrative body of competent jurisdiction to be invalid, unenforceable or illegal, the other terms will remain in force. Any invalid, unenforceable or illegal term will be interpreted to give effect to our commercial intention. If that is not possible, it will be severed but the rest shall remain in full force.
- 17.3. Force Majeure. Neither party will be liable for any delay in performance or failure to perform our respective obligations under this MSA due to a cause or event outside its reasonable control except that you cannot claim relief under this Section in respect of your payment obligations.
- 17.4. Special Conditions. In the event that any special conditions that may conflict with this MSA are expressly set out on an Order Form, this MSA shall be deemed adjusted accordingly in respect of the Subscriptions ordered on that Order Form only.
- 17.5. Entire Agreement. This MSA (together with the documents referred to in it), including each Order Form entered into, constitutes the whole agreement between us and supersede any previous arrangement, understanding or agreement between us relating to their subject matter. The terms of any separate non-disclosure agreement shall not apply to delivery of the Services. We both acknowledge and agree that in entering into it, we do not rely on any undertaking, promise, assurance, statement, representation, warranty or understanding

(whether in writing or not) of any person relating to the subject matter of this MSA, other than as expressly set out in it. This Section does not limit or exclude liability for fraud or fraudulent misrepresentation.

- 17.6. Assignment. You may only assign this MSA in its entirety to a successor in interest in the event of a sale or merger of your business provided that you provide Us with written notice of the same not less than 30 days prior to the date of the proposed assignment. Other than that, you cannot assign, novate, transfer, charge, sub-contract or deal with this MSA in whole or in part without Our prior written consent. This MSA will be binding on and inure to the benefit of each of us and our respective permitted successors and assigns. We reserve the right to transfer Our obligations, rights and permissions under this MSA to any organisation to which We may transfer Our business or assets (including if We, or a relevant part of Us or Our assets, are proposed to be purchased or acquired by a third-party).
- 17.7. Export and Sanctions Compliance. You are solely responsible for compliance with all import, reimport, export, re-export, sanctions, anti-boycott laws and other regulations that apply to your, your Group's and Users' use of the Services, Software and Support. We shall not be liable for any failure to perform Our obligations if a relevant regulatory agency and/or government places sanctions on you, a member of your Group or any relevant beneficial owner, or otherwise designates any of the foregoing on a list of prohibited or restricted parties. You warrant and represent that: (i) you will not use, or permit the Services, Software or Support to be used for the transfer or sharing of dual use items or items subject to sanctions or embargoes; (ii) you and your Group are not (and neither is any party that directly or indirectly owns (50% of more) or controls you or a member of your Group) subject to sanctions or designated on any list of prohibited or restricted parties. You will give Us prompt notice if any of the foregoing are subject to such sanctions or designations; (iii) you will not transfer or permit the transfer of, the Services or Software (or any right of access or use), or use them in or for the benefit of, or to transfer Content to, an embargoed or sanctioned territory or prohibited or restricted party; and (iv) you will not re-export to any sanctioned territory, or re-transfer to a military end user or for military end use (including by a state owned enterprise), any items on the USML or Wassenaar Munitions List or items classified under ECCNs in A018 or in a 600 series, or any item that supports or contributes to the operation, installation, refurbishing, development or production of these items. If you subscribe through a Reseller or through an app store, you agree to register with Us before accessing the Services. We may terminate or suspend this MSA, a relevant Order, Subscription and/or Your Account as a result of any breach of this Section. All payments to Us must be in funds and through banking channels not blocked or frozen by any authority. We are not responsible for any name or end use screening on your, your Group or a User's behalf.
- 17.8. Anti-Bribery and Corruption. You confirm that you and your Group have not been offered or otherwise received any illegal or improper bribe, payment, gift or other item, thing or experience of value from any of Our Personnel. If you identify any such thing you must notify Us promptly at legal@egress.com. You will maintain all necessary policies and procedures in relation to compliance with anti-bribery and corruption legislation as required by applicable law.
- 17.9. No Partnership. We are both independent contractors. Nothing in this MSA is intended to or shall operate to create a partnership, joint venture, agency or employment between us or authorise either of us to act as agent for or to bind the other.
- 17.10. Third-Party Rights. There are no third-party beneficiaries under this MSA except that Our Group companies and licensors of Software, Third-Party Data and Third-Party Software may enforce the provisions of Section 12 to the extent necessary to protect their respective IPR.
- 17.11. Governing Law, Notices and Jurisdiction. The Egress entity you are contracting with, to whom you should serve notices, and the law and jurisdiction that apply to this MSA are as set out in the table below in this Section 17 (except that We will be able to bring action against you in any jurisdiction relevant to the protection of Our IPR or that within Third-Party Data or Third-Party Software). We both disclaim application of the United Nations Convention on the International Sale of Goods.
- 17.12. Notices. To avoid printing documents and the release of greenhouse gas emissions arising through transportation of post, any notice or other communication given by either of us under or in connection with this MSA shall, unless not permitted by applicable law, be sent by: (a) you to legal@egress.com; and (b) Us to the email address then associated with your administration account. Notices will be effective when sent provided that, subject to the remainder of this Section 17.12, no failure or other DNS message is received by the sending party. Each of us may change our respective address to another single address through 10 calendar days' prior written notice. Rejection or refusal to accept, or inability to deliver because of a changed address of which no notice has been received, will constitute receipt. If notice is not by law permitted to be given solely by email, notices must be sent by you to Our relevant address below, and by Us to the address on your Order Form (subject to any change notified in accordance with this Section). A notice will be deemed delivered at the time at which it would have been delivered in the normal course of post if sent by overnight delivery, pre-paid first-class post or recorded delivery post; or immediately if delivered by hand (unless in each case delivery is not during working hours, in which event they will be effective at 9am on the next working day). All notices to Us must still be copied to legal@egress.com.
- 17.13. Amendments and variations. No variation of, or to, this MSA shall be effective unless it is in writing and signed by both you and us (or our respective authorised representatives). This Section does not apply to documents or information referred to at a URL within this MSA which may be updated from time to time by Us.
- 17.14. Order of precedence. In the event of a conflict or inconsistency, the following order of precedence shall apply: (a) the Order Form; (b) the document referred to at Section 6.3 (in respect of obligations under the relevant DPL only); and (c) this MSA.

18. UNITED STATES SPECIFIC PROVISIONS

- 18.1. **Federal Government End Use Provisions.** We provide the Services, including related software and technology, for ultimate federal government end use in accordance with the following: The Services consist of “commercial items,” as defined at FAR 2.101. In accordance with FAR 12.211-12.212 and DFARS 227.7102-4 and 227.7202-4, as applicable, the rights of the U.S. Government to use, modify, reproduce, release, perform, display, or disclose commercial computer software, commercial computer software documentation, and technical data furnished in connection with the Services shall be as provided in this MSA, except that, for U.S. Department of Defense end users, technical data customarily provided to the public is furnished in accordance with DFARS 252.227-7015. If a government agency needs additional rights, it must negotiate a mutually acceptable written addendum to this MSA specifically granting those rights.
- 18.2. **UCC.** We both specifically disclaim application of Article 2 of the Uniform Commercial Code as codified.
- 18.3. **Governing law.** We both agree to the governing law provision set out above in Section 17 without regard to choice or conflicts of law rules.
- 18.4. **Arbitration.** Except as set out in Section 18.6 below, any dispute or controversy arising out of, relating to, or concerning any interpretation, construction, performance, or breach of this MSA (or any other document or agreement that forms part of it) will be settled by arbitration to be held in Massachusetts, in accordance with the rules then in effect of the American Arbitration Association. The arbitrator may grant injunctions or other relief in the dispute or controversy. The decision of the arbitrator will be final, conclusive and binding on both of us. Judgment may be entered on the arbitrator’s decision in any court having jurisdiction. We and you will each pay one-half of the costs and expenses of the arbitration, and each of us will separately pay our own counsel’s fees and expenses.
- 18.5. **Waiver of Jury Trial.** The arbitration section above in Section 18.4 constitutes a waiver of a right to a jury trial for all disputes relating to all aspects of our relationship

(except that, for the avoidance of doubt, such waiver shall not limit a party’s rights to seek equitable remedies as provided in Section 18.6 below), including the following claims: (a) claims for breach of contract, both express and implied, breach of the covenant of good faith and fair dealing, negligent or intentional infliction of emotional distress, misrepresentation or interference with contract or prospective economic advantage, or defamation; and (b) any and all claims for violation of any federal, state or municipal law.

- 18.6. **Equitable remedies.** Either of us may apply to any court of competent jurisdiction for a temporary restraining order, preliminary injunction, or other interim or conservatory relief, as necessary, without breach of this MSA or abridgement of the powers of the arbitrator.
- 18.7. **Consideration.** Each of our respective promises to resolve claims by arbitration in Section 18.4 and the provisions of this MSA, rather than through the courts, is consideration for the other’s like promise.
